Digital publications

We give airlines just the right digital press offer for their passenger profile.

DMD delivers a unique and affordable media service to airline customers around the world.

-  Newspapers and magazines
-  Airside and onboard solutions
-  Print and digital formats
-  Global service support network
-  Content and end user platforms
-  Central account management

We work with more airlines globally than any comparable service provider, with a record of over 35 years of consistent delivery to lounge, gate and aircraft. Our expert teams manage the entire process, from content sourcing to stock control and delivery to central invoicing across territories and media formats in one seamless service, locally and globally.

DMD eReader delivers world class newspapers and magazines across your digital ecosystem

DMD helps airlines make their unique digital offer to customers on the ground and in the air.

We are the digital aggregator major news and magazine providers trust to deliver their premium product to airlines. With global publisher relationships we can secure just the right content set for any airline evolving local print offers into one consistent digital or mixed media strategy.

The strategic marketing gains are clear:

-  Brand differentiation
-  Digital & green agenda wins
-  Higher Skytrax™ ratings
-  Customer satisfaction
